29th Tremblant Interventional Cardiology

TIC 2027 CASE PRESENTATION CHALLENGE

New this year and for the first time, we are excited to introduce the **TIC 2027 Case Presentation Challenge**.

Represent your institution by submitting a case for one of the following sessions taking place on **Thursday February 4** and **Saturday February 6:**

- My Worst Coronary Case Ever!!!
- My Worst Structural Case Ever!!!

This new case session format is open to staff and their fellows. **Submissions must be made by the staff, and if accepted, presentations at the meeting must be delivered by the staff.**

Guidelines:

- Each presenter will have a maximum of 20 minutes per case, including discussion
- Focus on the core elements of the case itself, with little to no scientific data presentation
- Timing will be closely monitored
- Submissions should include images and a summary highlighting the major teaching point(s).

This is an opportunity for your institution to showcase challenging and educational cases, gain recognition and a prize for the 2 best cases!

Please submit case via WeTransfer to Dr. Erick Schampaert:
erick.schampaert.cnmtl@ssss.gouv.qc.ca

Deadline: Tuesday December 1, 2026

Registration:

- All presenters must complete the online registration form.

Travel & Accommodation for Case Presenter:

- Flights (up to $750 flex fare), hotel (2-night standard rate), gas (if driving to the venue), and parking (up to 3 nights) will be reimbursed for case presenters.
- Reimbursement does not cover car rentals, mileage, food-related expenses or no-show/cancellation fees.
- Presenters are responsible for booking, changing, or cancelling travel and hotel reservations.
- Reimbursement will be made via e-transfer after the event upon receipt of valid receipts.
- Please email receipts to tal@xpertize.com to request your reimbursement.
